April 2008

This is the first newsletter from your newly elected 2008/2009 Board of Directors. We thank all candidates for their willingness to share their time and expertise with our community. Homeowners produced a record turnout at both election and at the Annual HOA Meeting.

With four new members your board and a total of nine members, the board is charged and ready to face the challenges of the coming year. The board met on Tuesday, April 15 and elected the following officers:
